

A close-up photograph of a dark-colored car, likely a classic model, showing the rear quarter panel. A chrome badge with the words "Magic Finish" in a cursive script is mounted on the body. Below the badge is a horizontal chrome trim piece. To the left, a portion of a red taillight is visible. The car's surface is covered in water droplets, suggesting it has been washed or is in the rain.

Low pH Acidic Presoaks:

Shockwave Lo pH Pro	4240 5 Gal.	Specifically formulated for use as the first stage cleaning solution in two step low pH/high pH wash applications. New safe non-HF technology is excellent for aiding in the removal of oil, dirt, road film and windshield masks. Shockwave also conforms to the current phosphate laws now active in many states and municipalities.
	4242 30 Gal.	
	4243 55 Gal.	
Power Bolt	4026 5 Gal.	Our original low pH high power formula developed specifically for use as the low pH presoak in the two step low pH/high pH touchless wash process. Superior removal of road film and windshield mask. Great foam show and refreshing "Lemon Scent" for increased customer appeal. One of the best in our high quality line of touchless low pH presoaks.
	4028 30 Gal.	
	4029 55 Gal.	
Lightning 2X	4034 5 Gal.	Lightning 2X is a potent, highly acidic, "Lemon Scented" liquid designed for use in foamers or as the first step in your two-step wash system. Less aggressive on equipment and floors.
	4036 30 Gal.	
	4037 55 Gal.	
Citri-Blend Lo pH Shampoo	5881 5 Gal.	Creates a creamy thick lather that lubricates and cleans while lowering the pH on the car to aid in the drying process. This low pH shampoo is especially good for cleaning and shining chrome and glass. Has a "Citrus Scent."
	5880 30 Gal.	
	5887 55 Gal.	
Citri-Maxx	4045 5 Gal.	Formulated as a premium, optimum foaming, acidic detergent for use in tunnels, hybrids and rollovers. Fantastic cling and lubricating foam with an aggressive but pleasing "Citrus Scent." This is our premium lubricating detergent blend designed for very low usage rates.
	4047 30 Gal.	
	4048 55 Gal.	
Impact 500XT	4018XT 5 Gal.	Formulated as a premium acidic detergent for use in friction automatics, cloth or foam tunnels. Fantastic clinging foam and the lubricity needed to keep your wraps and mitters cleaning up to their potential.
	4020XT 30 Gal.	
	4021XT 55 Gal.	
Salt Block 	4246 5 Gal.	Eliminate damaging road salts with this specially formulated detergent that will clean and neutralize road salts and deicers from the chassis and wiring on the underside and entire painted surface of cars, trucks, and buses. Salt Block removes winter sodium, calcium, and magnesium chloride deicer salts, even when those salts are mixed with carriers like cheese brine and sugar beet juice. Salt Block is not just for the underbody but highly recommended for the entire surface of the vehicle for increased salt neutralization and protection. Excellent winter season revenue generator!
	4248 30 Gal.	
	4249 55 Gal.	

High pH Alkaline Presoak/Detergents:

AfterShock HPP	4041 5 Gal.	Newly developed premium high pH detergent concentrate for touchless automatics, truckwash, and tunnel applications. Aftershock was developed to be one of the most concentrated high pH detergent/presoaks you can buy without a prescription. Excellent at removing oil, dirt, grease, bugs, and road film as a single step or as the second step in a low pH/high pH wash process. Concentrated cleaning technology at it's best!
	4043 30 Gal.	
	4044 55 Gal.	
Thunder X-treme	4066NI 5 Gal.	This highly versatile, non-phosphated liquid has been designed primarily for touchless applications covering a wide range of extreme temperature variations. Should be used as a single step or second step in your two-step low pH/high pH touch-free wash process. This item has been designed to handle the toughest of road film!
	4068NI 30 Gal.	
	4069NI 55 Gal.	
Thunder X-treme Red	4224R 5 Gal.	Same cleaning properties as our Thunder X-treme with added VIBRANT RED COLOR! Should be used as a single step or second step in your two step low pH/high pH wash process.
	4226R 30 Gal.	
	4227R 55 Gal.	
Liquid Friction	4062 5 Gal.	A new method in detergent technology with unsurpassed cleaning power! This liquid was designed to be used as a single-step detergent or as the second step in a standard two-step touchless wash process.
	4064 30 Gal.	
	4065 55 Gal.	
Liquid Friction SF (scented formula)	4074 5 Gal.	Liquid Friction SF is the same cleaning technology as Liquid Friction, but with an added awesome "Lemon Citrus Scent" for customer appeal.
	4076 30 Gal.	
	4077 55 Gal.	
All Pro Plus Detergent	4228NI 5 Gal.	Newly developed high pH all purpose formula with added water conditioning agents designed for use in frictionless, hybrid and conventional car washes. This potent high foaming value formula effectively cuts through road film and oils while providing a pleasing "Lemon Scent." Also an excellent economical choice for single stage touch free presoak applications.
	4230NI 30 Gal.	
	4231NI 55 Gal.	

Moderate pH Detergents:

Blast Detergents	An awesome line-up of moderate pH detergents designed to be used in either low or high pressure wash applications. BLAST detergents may be used in tunnels, automatics, and self-serve car washes. These versatile detergents can be used as a pre-soak or as a foam brush soap. Each of these products are uniquely scented for increased customer appeal!					
	Lemon Blast	Blueberry Blast	LP Purple Blast	Fruit Slices Blast	Orangecream Blast	Fresh n' Clean Blast
	4116 5 Gal.	4577 5 Gal.	6023 5 Gal.	4577FS 5 Gal.	4577FS 5 Gal.	4577FS 5 Gal.

	4119 55 Gal.	4580 55 Gal.	6025 55 Gal.	4580FS 55 Gal.	4580FS 55 Gal.	4580FS 55 Gal.

Neutral pH Detergents/Foamers:

Premium Detergent Bubblegum	4136-BG 5 Gal. 4138-BG 30 Gal. 4139-BG 55 Gal.	Premium Detergent was formulated with highly active ingredients to not only clean but provide the maximum lubricity needed with many of today's highly aggressive foam and cloth materials.
Deep Kleen	4120 5 Gal. 4122 30 Gal. 4123 55 Gal.	Deep Kleen is a high quality, neutral blend of deep penetrating surfactants, brighteners and foam boosters. Delivers excellent rinsability in cold water applications. Exceptional lubricating and foaming properties for both cloth and brush automatics.
Hy-Lite	4124 5 Gal. 4126 30 Gal. 4127 55 Gal.	Contains the same tremendous amount of active ingredients as Deep Kleen but with added solvents. Hy-Lite dissolves oily road film on contact, provides a great shine and will deliver lubricity to your cloth and foam that is unmatched!
Kleer Magic Prep	4132 5 Gal. 4134 30 Gal. 4135 55 Gal.	High foaming detergent that makes a great prep or bucket soap. Very cost effective option when used in foamers as well.
Wash N' Shine Shampoo	5912 5 Gal. 5915 30 Gal. 5913 55 Gal.	This one item will foam the car clean while it creates super beading action to enhance the drying process. Cut down on your chemical costs while delivering more to your customer!
Foam N' Kleen	4786 5 Gal. 4788 30 Gal. 4789 55 Gal.	A neutral detergent designed to rinse easily and provide plenty of bubbles at a great cost per car. Perfect for use in your prep stations.
Foaming Detergent Red	4192-R 5 Gal. 4194-R 30 Gal. 4195-R 55 Gal.	High foaming value detergent designed for use through foamers in tunnel applications. Also makes a great foam brush detergent in self serves. Red foam with an awesome "Cherry Scent."
Fast N' Foamy Shampoo	5648 5 Gal. 5634 55 Gal.	A high foaming neutral product that will produce a thick blanket of foam while delivering lubrication that is needed with today's equipment. Excellent for tunnels and roll-over washes with a "Fresh N' Clean Scent."

Wheel/Tire Cleaners:

Double Barrel Two-Part Wheel & Tire Cleaning System		<p>The Magic Finish Two-Part Wheel & Tire Cleaning System has been designed to give operators the strongest possible cleaner without the use of Hydrofluoric Acid (HF). Our “Boost” formula contains d-Limonene and hi-foaming surfactants along with other key ingredients. Combined with our concentrated alkaline “Builder” formula this highly effective solution is the perfect answer to cleaning today’s modern wheels and tires at a great low price. Can be used in cta’s or hand applied systems. Each item can also be used independently and injected into presoaks to boost cleaning efficiency..</p> <table><tr><td>Double Barrel Boost</td><td>Double Barrel Builder</td></tr><tr><td>5673 5 Gal.</td><td>5675 5 Gal.</td></tr><tr><td>5674 30 Gal.</td><td>5676 30 Gal.</td></tr></table>	Double Barrel Boost	Double Barrel Builder	5673 5 Gal.	5675 5 Gal.	5674 30 Gal.	5676 30 Gal.

Rimfire	4530 5 Gal. 4532 30 Gal. 4533 55 Gal.	Powerful (HF) based wheel cleaner removes stubborn metallic or ceramic brake dusts without the need for scrubbing! High foaming formula can be applied to all surfaces except after market “polished” aluminum! Great as an extra service sale through tunnel CTA applications.						
Magic White Concentrate	4510 5 Gal. 4512 30 Gal. 4513 55 Gal.	This unique Wheel & Tire cleaning formula incorporates high amounts of solvents, surfactants and alkalines. A must for all wash operators. Eye-grabbing green color.						
No-Scrub Tire & Wheel	5600 5 Gal. 5601 30 Gal. 5602 55 Gal.	World famous No-Scrub Tire & Wheel Cleaner ends the hard work of cleaning wheels & tires. Simply spray on and pressure wash off. No more bending, scrubbing and rewashing. Cleans raised white letters and works instantly to remove brake dust. Contains NO acids, caustic soda or petroleum. 100% biodegradable! Orange color.						

Bug Remover:

Fast Bug LF	4738 5 Gal. 4740 30 Gal. 4741 55 Gal.	The best bug remover on the market today! Fast-acting solvent blend quickly penetrates and liquefies insect remains. Product rinses easily and freely. Safe for all finishes when used at proper dilution.

Premium Xtra Service Ceramics/Protectants:

Flex-Go Ceramic 4296GO 5 Gal. 4297GO 15 Gal. 4298GO 30 Gal. <i>Infused with Graphene Oxide</i>	<p>Our Flex Go Ceramic with Graphene Oxide additive elevates the standard ceramic coating to a new level. Products with graphene oxide employ nanotechnology to seal the pores and adhere to the paint on a molecular level creating a fine ultra-protective layer and velvety smooth finish.</p> <p>Ceramic finishes are awesome! Graphene Oxide makes Ceramic finishes better. The impact of graphene’s incredible properties can be a game changer. Flex Go with graphene oxide modules offer added protection from dirt, pollutants, and UV rays. Graphene Oxide creates a bond with the surface of your vehicle to help provide ultimate protection and a mirror like finish.</p> <p>WHY OUR FLEX GO CERAMIC WITH GRAPHENE OXIDE IS BETTER:</p> <ul style="list-style-type: none"> - Increased durability over Ceramics without Graphene Oxide - Reduces Slide Angle and Increases Contact Angle to help shed water - Reduces Water Spotting by moving water more efficiently - Superior Protection with Graphene Oxide additive - More Nanoscratch Resistant due to more durable finish - Vibrant Shine because of a thinner, more flexible protective layer
Magma Glo Wax 4566CAR 5 Gal. 4568CAR 30 Gal. <i>Carnauba Wax N’ Shine</i>	<p>Magma Glo technology provides a just waxed shine to any vehicle finish. Richly fortified with Real Carnauba Wax, Magma Glo gives your customer the benefit of extended water repellency, shine and protection from the elements while providing a vivid visual to enhance the wash experience. Excellent performance in all application systems.</p>
Magic Bond (IBA) Rainbow Sherbet 4304MG 5 Gal. 4306MG 30 Gal.	<p>Magic Bond formula specifically designed to meet the needs of today’s car wash operators. Awesome color with foaming capabilities and unique “Rainbow Sherbet Scent.” You will love the water beading and protection this formula provides.</p>
Liquid Shield 5760 5 Gal. 5761 30 Gal. 	<p>TOTAL SURFACE PROTECTION! Purple color. “Grape Scented.”</p> <p>SHINES: Liquid Shield will reintroduce your customers vehicles to that original “show room shine.”</p> <p>PROTECTS: Liquid Shield will help prevent damage caused by salt and harmful UV rays. Liquid Shield will also improve driver visibility in rain or snow.</p> <p>REPELS: Liquid Shield beads moisture on contact. Repels rain, snow, ice and dirt from all painted, glass and metal surfaces.</p>
Reshine XS Foam Protectant 4308 5 Gal. 4309 15 Gal. 4310 30 Gal.	<p>Our unique formulation is a technological breakthrough. We’ve combined a blend of polymers and carnauba wax which will cure on your customers vehicles giving a hand waxed finish and shine. Reshine XS can be applied again and again without a buildup on your cloth or equipment. This product has an awesome creamsicle scent!</p>

Drying Agents:

Concentrated X-Treme Dri	4573 5 Gal. 4575 30 Gal. 4576 55 Gal.	Concentrated X-Treme Dri is our premium entry into the world of drying agents. This product will consistently deliver dry vehicles at the highest dilution rates and lowest cost per car. X-Treme Dri X-Cells where others fail!
Turbo Dry Enhancer	4569 5 Gal. 4571 30 Gal. 4572 55 Gal.	Turbo Dry Enhancer is a low pH buffered drying agent formulated for rapid water beading in all wash and weather conditions. Delivers super water beading action.
Lemon Dry	4328 LD 5 Gal. 4330 LD 30 Gal. 4331 LD 55 Gal.	Excellent performance as a drying agent or clear coat protectant product! Enhances shine and dry while producing a nice "Lemon Scent" for customer appeal.

Tire/Vinyl Dressings:

Armor Magic SLK 1000	4754SLK 5 Gal. 4756SLK 30 Gal. 4757SLK 55 Gal.	Water based polymeric silicone emulsion that safely shines and protects tires, vinyl and plastic moldings. May be used in on-line or hand application systems. Unbeatable performance and shine!
Magic Gloss TM	4777TM 5 Gal. 4778TM 30 Gal. 4779TM 55 Gal.	This water-based dressing produces a deep long-lasting shine applied by hand or machine. Magic Gloss will give your customers the shine that they are looking for.
Wet Shine SLH	5584SLH 5 Gal. 5590SLH 30 Gal. 5585SLH 55 Gal.	A premium solvent based tire dressing that produces a long lasting super wet look on tires. This high active silicone meets all current VOC requirements.
Clear Protect Non-Silicone Tire Shine	5586 1 Gal. 4/case 5587 5 Gal. 5588 30 Gal. 5589 55 Gal.	Clear Protect Non-Silicone Tire Shine shines like no other dressing you have used. Spray on and leave on! This outstanding dressing will keep a wet look for days. This is a water-based non silicone product that is harmless to painted surfaces. Clear Purple color. Body shop safe.
Rubber/Vinyl Dressing	6097 1 Gal. 4/case 6098 5 Gal. 6099 55 Gal.	Thick all purpose dressing preserves and renews rubber, vinyl and leather. Long-lasting durable shine on tires, weather stripping, rubber floor mats, vinyl and leather interiors, bumpers, side molding and engine compartments.

Specialty Items /Powders:

Dirtbuster Powder	4600 50 Lb. Box	Provides high power cleaning for both two-step and single-step touch-free and tunnel operations. Fast dissolving and stays in solution.
P-100 Powder	4601 50 Lb. Box	High quality powder that readily dissolves in cold water. Get tires and wheels clean at an economical cost. All purpose cleaner that performs great as presoak, engine cleaner and tire cleaner.
Powdered Floor Cleaner	5922 50 Lb. Box	The most economical way to keep your floors clean. Use on grease, wax, oil and rust stains. Perfect for cement, asphalt and tiled floors. Simply sprinkle on, broom in and spray off. Rinses clean and is biodegradable.
Powdered Laundry Detergent	5659 50 Lb. Box	Potent, fresh-smelling laundry detergent with added brighteners. Ideal for washing soiled towels in large capacity machines. Helps your towels retain their original color.
Pit Deodorizer	5357C 5 Gal. 5357 55 Gal.	Don't just cover up your foul smells, eliminate them with our Pit Deodorizer.
Undersealant Spray	4734 5 Gal. 4736 30 Gal. 4737 55 Gal.	This economical and effective rust inhibitor will stop rust in its tracks when used regularly by your customers.

Ultra-concentrated, safe acidic XT car wash detergent produces rich foam that lubricates, cleans, brightens and neutralizes vehicle surfaces down to an actual 500:1. The best Lo-pH body detergent on the market today!! <ul style="list-style-type: none">• Lubricating foam for a gentle friction clean and excellent customer appeal.• Safe acidity brightens surfaces while neutralizing alkaline prep solutions.• Easily converted to a regular concentrate by adding water on site.• Biodegradable and non-corrosive.
XT-502 Wheel & Tire	4836 5 Gal. 4836 15 Gal.	Concentrated, high foaming XT formula effectively cleans wheels, tires and engines. <ul style="list-style-type: none">• Ultra-concentrated yet ultra-affordable cost per vehicle.• Bright yellow-green color for increased customer appeal.• High foaming for maximum coverage and cleaning.• Removes stubborn soils quickly.• Biodegradable.• Does not contain phosphates.
XT-600 Turbo Dry	5391 5 Gal. 5391 15 Gal.	Active "mineral seal oil based" XT blend was formulated to produce rapid beading of rinse water at very low usage rates. <ul style="list-style-type: none">• 100% active blend means you are not buying water.• Does not contain silicone or wax.
XT-601 Clear Coat Protectant	4837 5 Gal. 4837 15 Gal. 4837 30 Gal.	Specially formulated XT blended sealant/drying agent is designed to protect both painted and clear coated surfaces while providing an excellent dry. One of the best Highly active and powerful beading and sheeting formulas on the market today! <ul style="list-style-type: none">• 100% active means you are not buying water.• Mineral seal oil based but utilizes a biodegradable emulsifier package.
XT-780 Reshine Extreme TVP (Total Vehicle Protectant)	4838 5 Gal. 4838 15 Gal.	Unique spray on and rinse off XT blend containing a super-concentrated amount of special silicone-polymers that seals in shine and locks out weather! <ul style="list-style-type: none">• Durably bonds to all surfaces not easily removed afterwards with cleaning solutions.• Amazing water repellency helps you to see better when driving in the rain and keeps your vehicle cleaner.• Protects your vehicle from contaminated rain water, road salts, bug remains, bird droppings and more!• Improves surface gloss; bugs, ice, road film and tree sap should come off easier.• Foams yellow with a unique scent for customer appeal during applications.

Truck Wash & Heavy Equipment Cleaners:

AfterShock HPP	4041 5 Gal. 4043 30 Gal. 4044 55 Gal.	Super concentrated single and two step high pH cleaning solution designed to clean larger transportation vehicles and heavy equipment. Quickly removes tough road film, carbon stack stains, diesel residue, grease, and oil from surfaces. Excellent through automated truck wash systems including pressure wash applications. Reclaim compatible.
Lightning 2X	4034 5 Gal. 4036 30 Gal. 4037 55 Gal.	A cost effective, non-corrosive, low pH, presoak for frictionless truck wash systems. Used as the first step in a two step acid/alkaline wash process. Effective in cleaning aluminum and will help remove road film and brightens chrome and glass. Contains a pleasing "Lemon Scent." Please consult with your representative before using on polished aluminum.
Liquid Friction	4062 5 Gal. 4064 30 Gal. 4065 55 Gal.	Highly cost effective alkaline truckwash detergent designed to clean a wide variety of soils and road film in both hot and cold water. Both a single step cleaner or can be used as the second step in a two-step wash process. Reclaim compatible; separates oils and grease.
Magic White Concentrate	4510 5 Gal. 4512 30 Gal. 4513 55 Gal.	High alkaline, aggressive degreaser/cleaner designed for the toughest of soils in fleet wash operations including oil change centers. Penetrates the heaviest grease and oils for quick, easy removal.
Truck & Heavy Equipment Concrete Cleaner	5582 5 Gal. 5583 55 Gal.	Aggressive acid cleaner formula effective in removing concrete slurry, splatter and residue from cement trucks, concrete handling equipment, forms and tools.
PA-1 Citrus Wash	4236 5 Gal. 4238 30 Gal. 4239 55 Gal.	PA-1 Citrus Wash is a safe concentrated citric acid cleaner containing wetting agents and emulsifiers to provide maximum cleaning and brightening of polished aluminum and stainless steel.
PA-2 Polish Wash	4232 5 Gal. 4234 30 Gal. 4235 55 Gal.	PA-2 Polish Wash is a concentrated, liquid cleaning detergent specially formulated with the highest quality penetrants, surfactants and solvents to promote the rapid emulsification of dirt, grease, and oil safely on all surfaces when used as directed. PA-2 is well suited for cleaning many surfaces, including stainless steel and polished aluminum on tractor/trailers, tankers, and heavy equipment. Use with PA-1 Citrus Presoak as the 1st step for the optimum cleaning efficiency.
Aluma Pro Cleaner/Brightener	4782 5 Gal. 4783 55 Gal.	Industrial Strength Aluminum Cleaner/Brightener fortified with non-corrosive ingredients. Streak free formula strips oxidation, removes road soil, grease, oil and exhaust film from aluminum and stainless steel surfaces. Restores luster and contains no dangerous Hydrofluoric or Hydrochloric acids.
Train & Transit System Cleaners		Train & Transit Cleaners are very specialized products made for specific systems and we have the experience needed for these types of applications. Please consult our highly trained representatives on how these specialized products can increase performance in all train & transit systems.
